Got it. I will work with our group to get the data required for submittal.

Thanks,

**Sonnie T. Pineda**

**Subject:** Aquifer exemption checklist

Dear Sonnie,

As we discussed last week, attached for your information are the EPA checklist and criteria regarding aquifer exemptions. We are going to update our review of your renewal application and provide any remaining technical comments. One of our comments will be to revise the section on USDWs in Attachment D. As a heads up you will want to provide the information requested on the checklist. Please feel free to contact me with any questions.

Sincerely,

Michele

Michele Dermer
